Buddy Break is a FREE kids/respite program that provides fun for kids with special needs (VIP kids) and their siblings while their caregivers get a break from their ongoing care-giving responsibilities. This program is done in partnership between *Nathaniel's Hope* and local churches across the nation.

Nathaniel's Hope is an organization dedicated to sharing "the Hope" with kids with special needs and their families. Our programs include *Buddy Break*, *Make 'm Smile*, a *VIP Birthday Club*, *Hall of Hope*, *Caroling for kids*, and an Online Resource Center.
