Highlights from our 12th Annual Caroling for Kids 2010

Caroling for Kids was the BIGGEST AND BEST EVER!!!!

Thanks to our friends at Walgreens, Z88.3, Regal Boats and from the community, we were able to encourage hundreds of kids with special needs (VIP kids) and their families this Christmas!

Fun Facts:

- Over 130 Walgreens stores partnered with us and collected nearly 7,000 toys and gift items including thousands of beanies, cookies, candy canes etc.

- Local Walgreens stores had lots of creative ways to raise money for toys including collecting money at the register, signage around the store, boxes, Caroling for Kids videos shown, free photos, etc…

Mr. Drake's District alone brought in over 3,000 toys!!!

- We had over 550 Carolers go to 10 hospitals and visited 71 Homebound VIP families at their home with toys and goodies.

- Toys were distributed at 10 local Buddy Breaks in Central Florida, many Walgreens managers participated!

We had two Community Work Days to prepare goodies for the Hospitals. Thank you ICS and PCCA students!

Nathaniel's Workshop Toy Store helped over 1,500 kids have toys for Christmas!

Saturday was Walgreens Day! Employees provided free gift wrapping and lunch for our VIP families.

Some people waited 2 hours to get into the store!

Channel 13 featured Nathaniel's Hope on 2 news stories!

Walgreens Managers delivered Christmas Cheer and toys to Magnolia School

Thanks to our awesome corporate partners: Z88.3, Walgreens & Regal Boats!
