

2025 Year In Review

Nathaniel's NEWS

Dear Friends,

As we turn the calendar page and look to the year ahead, we can't help but be grateful for the year we are leaving behind. It has been a year of growth, and we are humbled by the opportunity to be a conduit through which others might be blessed. Serving those in need is not a burden, it is a privilege.

We could not provide helpful programs for VIP families without our army of volunteers serving across the country! We like to say that if "America runs on Dunkin'", we run on volunteers.

As a volunteer-driven organization, we rely on people like you to help us celebrate and serve kids and adults with disabilities (our VIPs) all year long through our programs. We deeply love and appreciate those who give themselves away so others can be blessed.

All of our programs are provided to our VIPs for **FREE!** Because of this, we also rely on the generosity of our community to help us fulfill our mission. We are committed

At the CaroMont Health Park in Gastonia, North Carolina for the 2nd MAKE 'm SMILE

MAKE 'm SMILE Orlando Volunteer "Smile Team"

to maximizing every dollar and leveraging every resource to make the greatest impact possible.

You can count on us to be faithful stewards of every gift, large or small.

We are excited about expanding our reach in the coming year by adding additional MAKE 'm SMILE festivals, increasing the number of Buddy Break programs, and continuing the development of Hopetown. It is going to be a really, really good year!

Did you know:

Our overhead is
**LESS THAN

We would love for you to join us on this journey by giving your time, talent, and/or treasure.

Together, we can make a difference!

Always with gratitude,
Tim + Marie 😊
